

EMPORIA EMERGENCY CALL FUNCTION

You can save up to five emergency numbers (family members, friends and official institutions).

- In an emergency press and hold the emergency button on the back of the phone. (This works even when the keypad is locked.)
- The five preset numbers will be dialled automatically in the order you have saved them.
If it is not possible to get through to anyone on the first number, the second number will automatically be dialled.
If it is not possible to get through to anyone on the second number, the third number will automatically be dialled, and so on. (The phone will go through a list of five numbers a maximum of three times.)
- At the same time as each emergency call, a text message (SMS) will be sent to the contact, saying: »**You are about to receive an emergency call. An audible warning signal will sound when you answer the call. Please press the 0 key three times to establish the connection.**«

Note: The contact must press the 0 key within 60 seconds, or the call will be disconnected (to prevent your emergency call going through to a contact's mailbox).

- From the moment you make an emergency call, your emporia phone will automatically answer any incoming calls for one hour. To stop this function, press and hold [] for 3 sec. or turn your device off completely using [] and then turn it on again.
- To cancel the emergency call, press and hold [].
- During the emergency call, a warning tone will sound continuously, to alert anyone nearby and the person being called.
- If you do not have any emergency numbers saved, have no credit on your prepaid phone card or are connected to a foreign network without permission (e.g. roaming is not activated), 112 will be dialled when you press the emergency button.

Note: If you want to add the number of an official institution such as the police or fire brigade as an emergency number, you must check that this is okay with the respective institution beforehand. We do not assume liability for any costs incurred through you calling such an institution by mistake.
